Bills with Recent Activity

Legislation

Bill #	State	Bill Title	Primary Sponsor	Last Action	Date
SB 1194	CA	Public restrooms: building standards.	Benjamin J. Allen	Enrolled and presented to the Governor at 3 p.m.	Sep 9, 2022
This bill would authorize a city, county, or city and county to require, by ordinance or resolution, that public restrooms constructed within its jurisdiction comply with specified requirements instead of complying with the plumbing standards set forth in the California Building Standards Code.					
SB 1203	CA	Net-zero emissions of greenhouse gasses: state agency operations.	Josh Becker	Enrolled and presented to the Governor at 3 p.m.	Sep 9, 2022
This bill would declare the policy of the state that state agencies achieve zero net emissions of greenhouse gasses resulting from their operations no later than January 1, 2035. The bill would require each state agency to develop and publish a plan on or before January 1, 2025, that describes its current greenhouse gas emissions inventory and its planned actions for achieving net zero emissions of greenhouse gasses and would require the state agency to update the plan beginning June 30, 2027, and every 2 years thereafter until June 30, 2035.

State Rules & Notices

State Rules & Notices

State	Pub. Date	Type	Title
NJ	9/6/2022	Final	Uniform Construction Code
The final rule adopts sections of the 2021 ICC codes and 2020 NEC, effective September 6, 2022.			
NJ	9/6/2022	Proposed	Uniform Construction Code
The proposed rule would adopt the 2021 editions of the International Codes, including the International Building Code (IBC), International Energy Conservation Code (IECC), International Mechanical Code (IMC), International Residential Code (IRC), and the National Standard Plumbing Code (NSPC), as well as the 2020 edition to the National Electrical Code, and the associated referenced standards. Revisions within the licensing requirements incorporate new special inspection areas, and the Rehabilitation Subcode incorporates relevant new sections into the requirements for work undertaken in existing buildings.
