Bills with Recent Activity

Legislation

Bill #	State	Bill Title	Primary Sponsor	Last Action	Date
SB 795	CA	Energy: building energy efficiency: heating, ventilation, and air-conditioning equipment sale registry and compliance tracking system: electronic statewide compliance documentation data repository.	Henry I. Stern	Set for first hearing. Placed on suspense file.	8/23 /2023
This bill would require the commission to develop and implement an electronic statewide heating, ventilation, and air conditioning (HVAC) equipment sales registry and compliance tracking system. The bill would also require the commission to develop and implement an electronic statewide compliance document data repository.					
SB 48	CA	Building Energy Savings Act.	Josh Becker	Set for first hearing. Placed on suspense file.	8/23 /2023
This bill provides that it is the intent of the Legislature to enact subsequent legislation to create building performance standards for improvements in energy efficiency and reductions in the emissions of greenhouse gases in large buildings, including measures to ensure that making the necessary investments to improve these buildings will improve equity and avoid displacement or increased energy burdens.					
AB 43	CA	Greenhouse gas emissions: building materials: embodied carbon trading system.	Christopher R. Holden	In committee: Referred to APPR suspense file.	8/21 /2023
This bill would express that it is the intent of the Legislature to enact future legislation establishing a Low Carbon Product Standard (LCPS) to facilitate a credit trading platform for building materials and to enact future legislation to require that the LCPS establish a compliance system.
