Bills with Recent Activity

Legislation

Bill #	State	Bill Title	Primary Sponsor	Last Action	Date
AB 529	CA	Adaptive reuse projects.	Jesse Gabriel	Read third time and amended. Ordered to second reading.	9/8/2023
This bill would facilitate the conversion or redevelopment of commercial properties into housing, including adopting adaptive reuse ordinances or other mechanisms that reduce barriers for these conversions to pro-housing local policies. The bill directs the Department of Housing and Community Development to convene a working group no later than December 31, 2024, to identify challenges to, and opportunities that help support, the creation and promotion of adaptive reuse residential projects. They will recommend amendments to state building standards and report their findings by December 31, 2025.					
SB 48	CA	Building Energy Savings Act.	Josh Becker	Read second time. Ordered to third reading.	9/8/2023
This bill provides that it is the intent of the Legislature to enact subsequent legislation to create building performance standards for improvements in energy efficiency and reductions in the emissions of greenhouse gases in large buildings, including measures to ensure that making the necessary investments to improve these buildings will improve equity and avoid displacement or increased energy burdens.					
AB 43	CA	Greenhouse gas emissions: building materials: embodied carbon trading system.	Christopher R. Holden	Read third time and amended. Ordered to second reading.	9/5/2023
This bill would express that it is the intent of the Legislature to enact future legislation establishing a Low Carbon Product Standard (LCPS) to facilitate a credit trading platform for building materials and to enact future legislation to require that the LCPS establish a compliance system
