Legislation

Bill #	State	Bill Title	Primary Sponsor	Last Action	Date
NH SB 373	NH	relative to the state building code.	Regina Birdsell	To Be Introduced 01/03/2024 and Referred to Executive Departments and Administration; SJ 1	12/12/2023
Legislative Service Request / Pre File					
NH SB 437	NH	relative to local authority to amend the state building code.	Sharon M. Carson	To Be Introduced 01/03/2024 and Referred to Executive Departments and Administration; SJ 1	12/12/2023
Legislative Service Request / Pre File					
NH HB 835	NH	Relating To Gas Appliances.	Andrew Takuya Garrett	Carried over to 2024 Regular Session.	12/11/2023
Beginning 1/1/2025, prohibits the installation of gas appliances in new construction within the State.					
NH HB 197	NH	Relating To Climate Change Mitigation.	Nicole E. Lowen	Carried over to 2024 Regular Session.	12/11/2023
This bill directs the department of health to establish a refrigerant management program to reduce emissions of high global warming potential refrigerants and any refrigerant that is an ozone-depleting substance from the operation of stationary, commercial, and industrial refrigeration equipment responsible and adopt rules for the regulation of the use of such refrigerants. It also requires the state building code council to establish codes and standards consistent with the goal of reducing greenhouse gas emissions associated with hydrofluorocarbons when updating the state building code.

Legislation

NH HB 195	NH	Relating To Renewable Energy.	Nicole E. Lowen	Carried over to 2024 Regular Session.	12/11/2023
This bill requires government entities in the State that issue building permits to implement SolarAPP+ or a functionally equivalent online automated permitting platform that verifies code compliance and issues permits to licensed contractors for solar distributed energy resource systems in real time by 1/1/2024. It also requires government entities in the State that issue building permits to adopt self-certification for solar distributed energy resource systems that are not SolarAPP+ compatible.
