		Minnesota Construction Codes Advisory Council to Discuss
		Proposed Window Cleaning Safety Requirements for Buildings, Adult
		Sized Changing Facilities, and EV Charging Facilities, Among Other
Minnesota	11/8/2023	Items.

The Minnesota Construction Codes Advisory Council will convene on Nov 8, 2023, to discuss several items including requirements for window cleaning safety methods, adult-sized changing facilities, and the implementation of Electric Vehicle (EV) charging facilities. The agenda also includes deliberations on proposed resiliency and energy targets for existing buildings.
