## Code Alerts

### Building

State	Date	Title
California	7/16/2024	<a href="#">California Building Standards Commission SD/LF Code Advisory Committee to Discuss 2025 Building Code Amendments</a>
<p>The California Building Standards Commission's Structural Design / Lateral Forces (SD/LF) Code Advisory Committee (CAC) will meet on July 16-17, 2024. The agenda includes public comments, the appointment of a Vice-Chair, and discussions on adopting and amending the 2025 editions of various parts of Title 24, California Building Standards Code.</p>		

New York	6/28/2024	<a href="#">New York State Fire Prevention and Building Code Council Minutes Recap</a>
<p>The NYS Fire Prevention and Building Code Council posted minutes from their June 28th meeting covering several key topics pertinent to code development. Chairperson Tebo reviewed public comment procedures, outlined the agenda, and focused on the upcoming "Electrification" Notice of Rule. A significant portion of the meeting was dedicated to the Division Update, which included discussing a mandated study on single stairways, single exit multiunit residential buildings, and collaboration with various agencies for code updates. Additionally, the Uniform Code and Energy Code development process was reviewed, highlighting the integration of ICC language, collaboration with state agencies, and public comments on the prohibition of fossil fuel equipment in new structures.</p>		

Ohio	7/17/2024	<a href="#">Ohio Board of Building Standards to Review 2024 IRC and IECC Chapters in July 17th Meeting</a>
<p>The Ohio Board of Building Standards, Residential Construction Advisory Committee will convene on July 17th, 2024. Notable agenda items include in new business: reviewing 2024 IRC Chapter 10, reviewing 2024 IRC Chapter 11, as well as a 2024 IECC overview. In old business, agenda items include reviewing the Residential Code of Ohio Chapters 3 &amp; 4.</p>		

California	7/30/2024	<a href="#">The California Building Standards Commission Health Facilities Code Advisory Committee will convene on 7/30/2024</a>
<p>The California Building Standards Commission Health Facilities Code Advisory Committee will convene on 7/30/2024. Notable agenda items include appointing a Vice-Chair and discussing adopting and amending the 2025 editions of the California Administrative Code and California Building Code.</p>		

## Electrical

State	Date	Title
<b>Minnesota</b>	7/11/2024	<a href="#">Minnesota Board of Electricity 2026 NEC Proposed Changes</a>
<p>The Minnesota Board of Electricity has published "2026 NEC proposed changes" which includes items such as relocating Article 220 Load Calculations to Article 120 and Article 750 Energy Management Systems to Article 130. Significant revisions involve introducing Special Purpose Ground Fault Protection for HVAC equipment (effective January 1, 2029), new requirements for service raceway warning ribbons, limiting NM cable entries to 1" of sheathing, and rewriting Article 525 to include generator and disconnect requirements for events like carnivals and fairs. Additionally, new sections address equipotential plane language, surge protection for replacement mobile homes, marina installation coordination, and EVSE GFCI protection for receptacles and outlets.</p>		

## Energy

State	Date	Title
<b>Vermont</b>	7/1/2024	<a href="#">Vermont Adopts 2024 Residential Building Energy Standards, Effective July 1st</a>
<p>The 2024 Vermont Residential Building Energy Standards (RBES) went into effect on July 1, 2024, and apply to all new residential construction, including additions, alterations, renovations, and repairs for buildings three stories or less. The RBES code book and handbook are nearing completion, with an online "view only" version to be available soon on the International Code Council Website; in the interim, a draft copy and a redline version of the code language can be accessed online.</p>

Building Code Alerts Bills

4 Bills

## NH HB 1065

**Title:** relative to fire sprinkler requirements in residential buildings.

**Current Status:** Considering

**Introduction Date:** November 27, 2023

**Last Action Date:** Enrolled Bill Amendment # 2024-2336e Adopted, VV, (In recess of 06/13/2024); SJ 18. July 11, 2024

**Summary:** This bill amends State Fire Code and Rules providing that fire suppression or sprinkler systems are not required in existing residential buildings with no more than 4 dwelling units if the building is in compliance with the state fire code including, but not limited to fire barriers, dedicated ingress and egress or secondary means of escape with emergency rescue openings and monitored fire alarm systems.

**Location:** US-NH

---

## NH SB 373

**Title:** relative to the state building code.

**Current Status:** Passed

**Introduction Date:** December 12, 2023

**Last Action Date:** Signed by the Governor on 07/03/2024; Chapter 0154; Effective 07/03/2024. July 10, 2024

**Summary:** This bill proposes an update to the definition of the New Hampshire building code or state building code. The new definition includes the adoption of the 2021 International Building Code and the International Existing Building Code.

**Location:** US-NH

---

## NC SB 166

**Title:** 2024 Bldg. Code Regulatory Reform.

**Current Status:** Failed

**Introduction Date:** February 27, 2023

**Last Action Date:** Ref To Com On Rules and Operations of the Senate. July 10, 2024

**Summary:** This bill amends various North Carolina building codes and reorganizes the Building Code Council. It provides that a political subdivision shall not adopt local fire prevention code provisions which apply to dwellings subject to the North Carolina Residential Code which are not prescriptively required by the North Carolina Residential Code. The bill additionally decreases the membership of the Building Code Council from 17 to 13 with certain positions being appointed by the General Assembly instead of the Governor.

**Location:** US-NC

## MA H 3028

**Title:** An Act relative to resilient buildings and climate preparedness

**Current Status:** Introduced

**Introduction Date:** February 16, 2023

**Last Action Date:** Bill reported favorably by committee and referred to the committee on House Ways and Means. July 08, 2024

**Summary:** This bill reaffirms the State Board of Building Regulations and Standards within the Division of Occupational Licensure. The board is responsible for adopting and administering a state building code. It consists of 17 members, including officials like the State Fire Marshal and the Commissioners of various relevant divisions, who serve ex-officio and have voting rights. Additionally, there are 13 members appointed by the governor, representing different expertise areas related to building and construction. The bill also outlines the objectives of the board's powers and duties, which include establishing uniform standards for construction and materials, adopting modern construction methods for cost and climate efficiency, and eliminating unnecessary and outdated building regulations. It provides provisions for the use of expanded floodplain maps, based on climate science, in determining base flood elevations and flood-resistant construction standards. Local authorities may request the use of these maps, and if approved, they must formally adopt them for official use.
