Building Code Alerts Bills

6 Bills

NC SB 166

Title: 2024 Bldg. Code Regulatory Reform.

Current Status: Considering

Introduction Date: February 27, 2023

Last Action Date: Pres. To Gov. 6/28/2024. June 28, 2024

Summary: This bill amends various North Carolina building codes and reorganizes the Building Code Council. It provides that a political subdivision shall not adopt local fire prevention code provisions which apply to dwellings subject to the North Carolina Residential Code which are not prescriptively required by the North Carolina Residential Code. The bill additionally decreases the membership of the Building Code Council from 17 to 13 with certain positions being appointed by the General Assembly instead of the Governor.

Location: US-NC

MA H 2290

Title: An Act relative to fire protection

Current Status: Considering

Introduction Date: June 27, 2024

Last Action Date: Read; and referred to the committee on Senate Rules. June 27, 2024

Summary: This provides that any residential building with four or more dwelling units, including various types of housing, must have an approved automatic sprinkler system installed in accordance with the State Building Code. If there is a lack of adequate water supply, the head of the fire department may allow an alternative or modified fire suppression system as prescribed by the Building Code. Building owners with approved and well-maintained installations may be eligible for a reduction in fire insurance.

Location: US-MA

DE SB 289

Title: AN ACT TO AMEND TITLE 16 AND TITLE 29 OF THE DELAWARE CODE RELATING TO ENERGY CONSERVATION.

Current Status: Considering

Introduction Date: May 08, 2024

Last Action Date: Reported Out of Committee (Natural Resources & Energy) in House with 5 Favorable, 3 On Its Merits. June 26, 2024

Summary: This bill requires county and municipal building and plumbing codes to follow the latest version of the International Energy Conservation Code (IECC) within a year of adoption by the Delaware Energy Office, unless noted otherwise. However, local authorities can choose to adopt more stringent codes from organizations like ASHRAE and ICC. They can also establish alternative ways to comply with these codes through administrative or regulatory methods.

Location: US-DE

CA SB 1152

Title: State Fire Marshal: fire safety: regulations: lithium-based battery systems: telecommunications infrastructure.

Current Status: Considering

Introduction Date: February 14, 2024

Last Action Date: Read second time and amended. Re-referred to Com. on APPR.. June 26, 2024

Summary: This bill focuses on fire safety regulations for lithium-ion batteries in California. The bill requires the State Fire Marshal to propose updates to the fire standards for lead-acid and nickel-cadmium battery systems to also include identical requirements for lithium-ion batteries. These updates must be proposed before the next triennial edition of the California Building Standards Code adopted after January 1, 2025. The Legislature intends that no additional requirements, beyond those described in the bill, are included in the updated battery requirement regulations.

Location: US-CA

NH SB 373

Title: relative to the state building code.

Current Status: Considering

Introduction Date: December 12, 2023

Last Action Date: Enrolled (in recess of) 06/13/2024 HJ 16. June 25, 2024

Summary: This bill proposes an update to the definition of the New Hampshire building code or state building code. The new definition includes the adoption of the 2021 International Building Code and the International Existing Building Code.

Location: US-NH

NH HB 1387

Title: relative to revisions to the state building code.

Current Status: Considering

Introduction Date: December 06, 2023

Last Action Date: Enrolled (in recess of) 06/13/2024 HJ 16. June 25, 2024

Summary: This bill aims to make amendments to various sections of the state building code. It includes provisions regarding accessibility standards for public buildings, the composition and term length of the State Building Code Review Board, the review and assessment of the state building code, energy code compliance, and appeal of decisions. The bill also repeals certain sections of the current building code. The effective date of this bill will be 60 days after its passage.

Location: US-NH

Chapter 1: General Provisions

Type: Final

Agency: State Fire Marshal's Office

Publication Date: Jun 26, 2024

Summary: The Council on Fire Prevention and Electrical Safety in Buildings has adopted the 2024 editions of several International Codes, including the International Building Code and the International Fire Code, incorporating them by reference due to their length and nature. These codes are available for public inspection at the Wyoming Department of Fire Prevention and Electrical Safety, with no later amendments or editions included.
